IX. See the Picture and with the help of words in the box. Write a story.

Painting	swing	football
reading	six	playing
sitting	park	happy

X. Reading the following passage and answer the following questions:

The Kite

John got a kite for his birthday, but he did not know how to fly a kite.

“Take it outside and run rally fast.” His mother told him. “ It will just float up into the air.”

Josh did what his mother said, but he was just dragging the kite on the ground behind him. Then an enormous gust of wind came up. It lifted the kite into the air. Josh held onto the string and looked up at the colourful kite. Bobbing and dancing in the air.

“You did it” his mother said. Coming outside. “I let the wind do all the work!” Josh said.

Answer these questions:

- (a) What did Josh got it for his birthday?
- (b) What problem does Josh have in this story?
- (c) Josh’s problem is solved by:
 - (i) The kite (ii) The wind (iii) Josh’s Mother
